The Commission's Regulations Committee met on January 27, 2006, to review the Petition. Having considered the Petition, the Regulations Committee recommends the Commission institute a rule-making proceeding to consider adopting the proposed revisions to Regulation No. 6.

1. The Department shall file an original and two (2) copies of all materials required under this Minute Order.

2. Persons submitting written public comments shall submit their written comments to the Department. Within ten (10) business days following the adoption or denial of the proposed rule, the Department shall deliver the originals of all comments to the Commission Secretary.

3. Public hearings shall be conducted beginning the week of March 27, 2006, in the following locations: Little Rock. Details regarding the time and location of the public hearings are under consideration and will be provided in the public notices.

7. The Department shall seek review of the proposed rule from the Joint Interim Committee on Public Health and Welfare and/or from the Joint Interim Committee on Administrative Rules and Regulations.

8. The Regulations Committee will consider this matter at its June 2006 meeting. Members of the Regulations Committee may ask questions of the Department and any person that made oral or written comments. The Regulations Committee will make a recommendation to the Commission.

9. At its regularly scheduled June 2006 meeting, the presentation of oral statements and legal arguments shall be regulated as follows:

- a. A Chair of the Commission will permit members of the public to make a statement to the Commission. No more than three (3) minutes will be allowed for each statement. The period for statements will close at the end of one (1) hour, or sooner if all interested persons have completed their statements. The Chair in his discretion, may extend the one (1) hour public comment period.
- b. At the discretion of the Chair, an attorney representing one or more individuals, a corporation or other legal entity may be permitted five (5) minutes in which to address the Commission.
- c. Department legal counsel or other designated Department employee will be permitted ten (10) minutes in which to address the Commission.

After each Commissioner has had an opportunity to ask questions, the Chair will entertain a motion on the matter, allow discussion, and call for a vote of the Commission members.

10. The Commission authorizes the Chair and the Regulations Committee, in consultation with the Chair of the Commission, to revise the procedures and schedules set out above.

11. Executive Order 05-04 requires that the Commission determine whether a proposed rule affects small businesses. Based on the information contained in the Petition, the Commission finds the proposed amendment to Regulation No. 6 substantially codifies existing State and Federal law and regulations. Therefore, the Commission concludes that the procedures set forth in Executive Order 05-04 are not applicable to the proposed amendment to Regulation No. 6.

The Commission accepts the recommendation of the Regulations Committee and initiates the rulemaking proceeding in Docket No. 06-001-R, effective January 27, 2006. The Commission adopts, without modification, the procedural schedule set forth above.
