WHEREAS, county governments as owners or operators of solid waste management facilities may utilize an alternate method of providing financial assurance for closure and post-closure care as authorized by Ark. Code Ann. § 8-6-1603 through the issuance of a Contract of Obligation (hereinafter “Contract”) to ADEQ; and

WHEREAS, ADEQ and [COUNTY] (hereinafter “COUNTY”), Arkansas have reached mutually agreed terms and conditions for providing financial assurances through a Contract of Obligation.

TERMS AND CONDITIONS

COUNTY hereby offers and ADEQ hereby accepts this Contract of Obligation as financial assurance pursuant to Ark. Code Ann. § 8-6-1603(d)(4):

1. Pursuant to Arkansas Pollution Control and Ecology Commission (hereinafter “APC&EC”) Reg. 22.1405(n), the contract is a binding, enforceable agreement and is irrevocable unless terminated in accordance with Paragraph 19 herein.

2. COUNTY is a county government of the State of Arkansas.

3. COUNTY is the owner or operator of the solid waste management facility pursuant to ADEQ Permit No. [PERMIT NUMBER] (hereinafter “Permit”).

4. This Contract is for one fiscal year of COUNTY and shall automatically renew for four additional fiscal years unless the COUNTY fails to appropriate funds in its annual budget to perform the terms and conditions required herein. A fiscal year for purposes of this Contract is defined as the fiscal year for COUNTY.

5. COUNTY shall provide written notice not less than 60 days prior to the expiration of the fiscal year to the Director if COUNTY will not appropriate funds in the COUNTY’S upcoming annual budget necessary to perform the terms and conditions of this Contract. In the event of non-appropriation, this Contract shall terminate on the last day of the fiscal year subject to appropriation by COUNTY.

6. COUNTY’s solid waste management facility is not authorized to transfer, store or dispose of hazardous waste as defined and regulated under Regulation 23 of the Arkansas Pollution Control and Ecology Commission.

7. COUNTY represents and affirms that the general revenues pledged and secured under this Contract to ADEQ shall be equal to but not less than the estimated annual cost for closure

and post-closure care to satisfy the financial assurance requirements pursuant to Ark. Code Ann. § 8-6-1603(d)(4)(C).

8. The required amount of financial assurance for the solid waste management facility which is the subject of the Permit is [DOLLARS] (NUMERIC DOLLARS) for Closure and Post-Closure Care as provided by Ark. Code Ann. § 8-6-1603(a), (b), and (c).

9. The required amount of financial assurance stated in ¶8 does not exceed the amount currently projected by the State to be disbursed as general revenues during the current fiscal year to COUNTY as authorized by APC&EC Reg.22.1405(n)(2).

10. To fulfill the amount of the financial assurances established in ¶8 of this Contract, COUNTY hereby grants and pledges its rights and interest in the general revenues being disbursed, or that may be disbursed, to COUNTY by or from the State of Arkansas to ADEQ for the express purposes and terms provided by this Contract.

11. COUNTY hereby acknowledges that upon default, ADEQ's rights to the said general revenues during the tenure of this Contract are irrevocable, undisputed, and absolute.

12. For purposes of the Contract, the term "default" is defined as any failure by the COUNTY to properly perform a closure or post-closure for the solid waste management facility that is the subject of the Permit or required by state law or regulation.

13. The Director shall initiate the procedure for forfeiture of financial assurance provided in APC&EC Reg.22.1406 should the COUNTY default on this contract as defined herein. ADEQ shall provide a Default Administrative Order, an APC&EC Minute Order, Consent Administrative Order, or other enforceable Order directing COUNTY, the Arkansas State Treasury, and the Department of Finance and Administration to commence the capture of revenues pledged by this Contract.

14. Effective upon default, COUNTY hereby authorizes and instructs the Arkansas State Treasury and the Arkansas Department of Finance and Administration to capture, re-direct, and tender the general revenues pledged in ¶10 of the Contract to ADEQ. Payments made to ADEQ shall be delivered to the address appearing below.

15. COUNTY shall file a copy of this Contract with the Commissioner of Revenues, Department of Finance and Administration and the Local Government Services Division, Arkansas State Treasury, no later than the tenth (10th) calendar day following the effective date of this Contract. COUNTY shall provide the Director with file-marked copies of this Contract no later than the fifteenth (15th) calendar day following the effective date of this Contract.

16. In the event this Contract is not renewed or is terminated for any reason, COUNTY shall provide alternate financial assurances pursuant to Ark. Code Ann. § 8-6-1603 and the regulations promulgated pursuant thereto not less than 60 days prior to the termination of this Contract for review and approval by ADEQ.

17. The amount of financial assurance required for the solid waste management facility that is the subject of the Permit shall be based upon the latest available annual reporting mechanisms submitted by the facility owner/operator; and as reviewed and approved by ADEQ. Such review shall be completed by ADEQ prior to the commencement of COUNTY subsequent fiscal year. This amount may be increased or decreased as required to reflect estimated costs for closure and post-closure care.

18. The total amount of required financial assurance established by ¶17 above, shall be approved by ADEQ not less than one hundred twenty (120) days prior to the beginning of any COUNTY fiscal year.

19. This Contract shall terminate upon written approval from the Director that:

- a. The solid waste management facility has closed in compliance with the law;
- b. COUNTY has completed post-closure care in compliance with the law; or
- c. COUNTY provides an alternate financial assurance mechanism that is acceptable to ADEQ and is in compliance with the terms of this Contract as outlined in ¶ 25.

In the event that there are funds remaining after ADEQ certifies the necessary closure and post-closure activities are completed then ADEQ will return those funds to the COUNTY.
